Mr. J. J. Edwards, Clerk
Village of Venedocia
Venedocia, Ohio

Dear Sir:

We acknowledge receipt of your letter of the 10th addressed to Mr. Moore relative to temporary reduction in your street lighting contract. We note from our records that it has been the practice for the past two or three years to give you a temporary reduction of 50%, amounting to \$10.00, in your street lighting contract during five summer months.

In view of present times and conditions and the uncertainty of tax collections, we will extend the same privilege this coming year; however, in view of the numerous requests of this nature from other towns and villages aggregating a sizable amount of money each year, we trust that you will make every effort to take care of your street lighting contract for the full amount hereafter.

Very truly yours,

ARCH ROBISON

In connection with your letter of the 10th addressed to the writer and Mr. Robison's reply of the 20th, we will arrange to bill you for street lighting service at the reduced rate of \$10 a month for the months of May, June, July, and August. This is in accordance with your letter, and no doubt the reduction during the four months period will be of considerable assistance to you in meeting the financial demands of the village for the coming year. In case, however, you should be able to pay any of these months in full, we would appreciate your doing so.
